We are a registered charity providing information and support for those affected by healthcare associated infections (HCAI). Members receive regular newsletters and opportunities to share experiences with families who have been affected. Your membership helps to make us stronger as a patient organisation and helps us to provide better services for people affected by HCAI.

MRSA Action UK was established to support people with MRSA and their families, to promote awareness amongst healthcare professionals, patients and their families so that MRSA and other bacterial infections can be diagnosed and treated as soon as possible, and to encourage and support research.

giftaid it

Using Gift Aid means that for every pound you give, we get an extra 28 pence from the Inland Revenue, helping your donation go further.

This means that £10 can be turned into £12.80 just so long as donations are made through Gift Aid. Imagine what a difference that could make, and it doesn't cost you a thing.

So if you want your donation to go further, Gift Aid it. Just complete this form and send it back to us.

I want the charity MRSA Action UK to treat the enclosed donation of

£_____ as a Gift Aid donation

I would like to Gift Aid all donations I've made MRSA Action UK since 6 April 2000 and all donations in the future to be Gift Aid until I notify you otherwise.

To qualify for Gift Aid, what you pay in income tax or capital gains tax must at least equal the amount we will claim in the tax year.
